

# Issue pitch

Title

Describe the social issue you want to address

Who/what is causing this issue?

Who/what is affected by this issue?

Why is this issue important to you?

What data will you use to investigate or describe this issue?

In the team, there are already people who want to...

- ☐ Write dialogues, etc.      ☐ Make music/sounds      ☐ Code      ☐ Draw
- ☐ Design game mechanics      ☐ Other:.....

Fill in the sheet and add your idea to the shared table. You should be available to "pitch" your idea in front of everyone. You will later expose this sheet on the table, so that others can read about your idea and decide whether to join your team.
